 Total of 12 blocks

Kit Requirements
 12 Fat Quarters or 3 M
 .5M Binding

Minimum Fabric Yardage

WOF – Width of Fabric – Remove selvage and make a straight cut
12 Fat Quarters or approximately **3 yards** coordinating patterns and plains
Binding: 17½ inches

Cutting

For **Fat quarters** follow the diagram:

For **yardage** require:

- 36 – 4½ inches by 18 inches
- 24 - 2½ inches by 18 inches
- 12 - 2½ inches by 16 ½ inches

Binding: 7 – WOF by 2½ inch

Directions

Sew 3 - 4½ by 18 and 2 - 2½ by 18 together – see diagram. Make 12 sets using different fabrics.
 Press seams all one way (toward a 4½ inch outside piece)

If necessary trim the pieces to 16½ inches wide – the length should be approximately 18 inch however it does not need to be trimmed

Cross cut into 2 – 7½ inch and 1 - 2½ inches by 16½ inch rectangles as shown

Sew a 2½ inch by 16½ inch strip between 2 different 7 ½ inch segments – make 12 blocks 16½ by 16½ inches

Assemble the Quilt

- Arrange the blocks by rotating into 3 rows of 4 blocks. Sew 3 composite blocks in rows as shown in the diagram. Press seams in odd row to the left and even rows to the right. Sew rows of blocks together
- Add 2 rows of the remaining 2½ inch by 16½ inch strips for border on top and bottom. Press towards the border.
- **Completing** – Press quilt top. Make a sandwich of quilt, batting and backing
- Quilt as desired.
- Attach a VQC (Victoria Quilt's Canada) Bilingual Label to one corner of the back of the quilt.
- Join the binding strips using a diagonal/bias seam for less bulk and press open. Press the binding in half. Bind the quilt.
- Gently wash the quilt using unscented products. Trim any loose threads.
